Gary,

See the attached maps and let me know what you think.

Thanks!

Sean Gavlas

Subject: FJDoyle

Sean:

Can you send me the final map with the color shadings taken off but leaving the sample grids labels? Also, can send me a map which shades the grids in pink that are greater than or equal to 1 mg/kg for total PCBs? I am not sure what I want to use for the metals and PAHs as of yet.

Thanks
